2. ACTION ITEMS

- Voted on 2018-2019 Meeting Schedule: Three options were presented during the General Session, with Option C being selected after having eight of the eleven votes. Option C is comprised of six Executive and General Sessions.
- Voted on Recommended 2018-2019 School Board Charge: Four School Board Charges were presented during the General Session, with Option 4 being selected having nine votes. The charge states, "To increase the engagement of parents with their school communities, explore ways to 1) maximize the impact of school-based family engagement teams through identification and propagation of best practices and established programs and 2) connect with parents outside of school boundaries/programs, such as through culturally-relevant community resources."

3. PRESENTATIONS TO THE ADVISORY COMMITTEE

- **Special Education Identification Process**
  The Office of Special Education Procedural Support shared the FCPS Special Education Identification Process and provided all participants with the PowerPoint and a folder containing resource materials. Thank you to Dr. Jane Strong, Angelina Prestipino, and Mary Beth Harrison-Cunningham!

4. DISCUSSIONS

- **2017-2018 Annual Report Planning:** The group discussion identified actions that were taken during 2017-18 in response to the School Board Charge and supporting recommendations. Input from the group included the following: Strengthening Family Engagement and Cultural Awareness; Presentation by the Family Engagement Center (Engaged parents produce children who are more successful); Presentation by Food Nutrition Services of various programs (After School Snack Program and other programs); Bringing folks in from the community to help families feel welcome and engaged; Technology use (text, email, etc.) to increase communication to families; Title I school administrators sharing best practice; and Grant Writing Presentation.

5. FEEDBACK AND EXIT TICKET

- Participants identified information to take back to their schools and recorded this on their Agenda's.

The meeting was adjourned at 8:38 p.m.
