- Advise the local school division of needs in the education of children with disabilities;
- Participate in the development of priorities and strategies for meeting the identified needs of children with disabilities;
- Submit periodic reports and recommendations regarding the education of children with disabilities to the division superintendent for transmission to the local school board;
- Assist the local school division in interpreting plans to the community for meeting the special needs of children with disabilities for educational services;
- Review the policies and procedures for the provision of special education and related services prior to submission to the local school board; and
- Participate in the review of the local school division's annual plan, as outlined in subdivision B 2 of this section.

2019-20 Committee Charge from the School Board

Examine current FCPS practices regarding the communication and dissemination of information to parents related to supports and services provided to students with disabilities. Make recommendations designed to improve and strengthen the relationship between parents of students with disabilities and FCPS school staff and central office staff.

Anyone needing accommodations for a disability to attend or participate in this FCPS activity should call (703) 204-3941, TTY (703) 204-3956. Calls should be made seven days prior to the activity so that appropriate arrangement can be made. Meetings are cancelled if school or evening activities are cancelled due to weather.
