- ◆ Family Portrait Night—November 10 (call Mrs. Aschenbach for details)
- ◆ 1st Quarter Progress Reports Sent Home—November 11
- ◆ Thanksgiving Luncheon—November 18
- ◆ 2 Hour Early Dismissal—November 24
- ◆ Thanksgiving Holiday (School Closed) - November 25 & 26

Principals Town Hall Meeting

I will hold the first of my four planned Town Hall Meetings following the business portion of the PTA meeting on Tuesday, October 5 at 7:00 p.m. Aldrin staff and I will share the **2010-2011 Aldrin School Improvement Plan** and discuss the process used in developing this annual plan. In

addition, I will overview the class placement process that is used in our school each school year to ensure the most appropriate teacher-student match for our Aldrin children. Time will be allowed for specific questions about the School Improvement Plan and class placement processes, as well as other questions that are on the minds of our Aldrin parents. I look forward to seeing you at the meeting next week.

SCA Installation Ceremony

We held our SCA Installation Ceremony on September 29th for our SCA Officers, classroom representatives and alternates. Congratulations to everyone. We are looking forward to a great year, with lots of service learning projects for our school community.

Breakfast – A Great Start To Being Smart

October is Breakfast Month in Fairfax County Public Schools. Breakfast is the most important meal of the day. It “breaks” the “fast” by replacing the energy reserves used overnight.

School aged children especially teens are the biggest breakfast skippers. Research shows students who eat breakfast:

- Learn better
- Are more alert and attentive

- Are more likely to participate in activities

Eating breakfast may also reduce the risk of childhood obesity

If you have a breakfast skipper in your home, plan and offer quick nutritious choices such as juice, whole grain cereal and toast, breakfast bar, or bagels and milk or yogurt. Parents don't forget your own breakfast. You are a role model for your children.

ADVANCED ACADEMIC PROGRAMS (AAP) CONTINUUM OF SERVICES

Fairfax County Public Schools (FCPS) offers a continuum of advanced academic services for all students in grades K-8. Learning experiences are designed to develop higher-level thinking through enrichment, acceleration, and extension of the Program of Studies. Teachers, administrators, and Advanced Academic Resource Teachers (AARTs) work together to provide the following Levels of Service:

Critical and Creative Thinking Lessons, Grades K-6 (Level I) The Advanced Academic Resource Teacher and classroom teachers teach nine higher order thinking strategies across all subject areas and grade levels.

Differentiated Lessons in Areas of Academic Strength, Grades K-6 (Level II) The Advanced Academic Resource Teacher collaborates with classroom teachers to provide additional challenges and resources within the general education program.

The AAP Level IV Referral Form is due to the Aldrin office no later than February 4, 2011

The Young Scholars Model included in this level is designed to find and nurture advanced academic potential in students from historically underrepresented populations.

Part-Time Advanced Academic Program, Grades 3-6 (Level III) Students identified by a local school screening committee for part-time advanced academic services (Level III) are challenged through models and strategies designed to extend and enrich the POS in the four core subject areas.

Full-Time Advanced Academic Placement, Grades 3-8 (Level IV) Students found eligible for placement in a full-time Advanced Academic Program (Level IV) through a central selection process receive a highly challenging instructional program in the four core subject areas.

IBMYP: Selected Schools, Grades 6-10 The International Baccalaureate Middle Years Program is designed for students ages 11-16. The program helps students develop the knowledge, understanding, attitudes, and skills necessary to participate actively and responsibly in a changing world.

Honors, Grades 7-8 Advanced and/or accelerated classes are available for students in grades 7-8 through an open enrollment process. Students receive instruction that is differentiated for advanced learners in the four core subjects in one or more areas of academic strength or interest.

SCREENING Multiple criteria are reviewed to determine eligibility for all FCPS Advanced Academic Programs. Formal identification begins with Level III services. The local school committee determines student eligibility for part-time school-based services. The countywide central selection committee determines eligibility for full-time AAP (Level IV) placement.

TESTING Each fall all FCPS second grade students, as well as students in third through seventh grades who do not have ability test scores, are administered the Cognitive Abilities Test. This year all first and second grade students will take the NNAT. Beginning next year, the NNAT will be administered in first grade and the CogAT in second grade. A second grade screening pool is established using these test results. Students in the second grade pool are automatically screened for full-time AAP (Level IV) placement. Parents or guardians may exercise their one-time retest option during the fall testing cycle.

REFERRALS for FULL-TIME ADVANCED ACADEMIC PLACEMENT LEVEL IV (Grades 2-7)

Parents or guardians of students not in the second grade screening pool may initiate the full-time AAP (Level IV) screening process by completing and submitting an *AAP Level IV Referral Form to the local school principal no later than February 4, 2011.* No late referrals will be accepted. Second graders **not** in the pool and **all** third through seventh graders are screened only by referral. Forms are available on the AAP website (www.fcps.edu/DIS/gt) and in the *Parent Information Packet* available at the local school. (Please note: Parents or guardians of students who are in the 2nd grade pool will be notified by the school. Students who are not in the 2nd grade pool will not receive notification. The benchmark score used to create the 2nd grade pool will be published on the Advanced Academic Programs website mid-January.)

PARENT INFORMATION MEETING

A parent information meeting will be held at Aldrin Elementary on October 19, 2010 at 7 p.m.. The Advanced Academic Resource Teacher will provide information about levels of service and examples at <school name> as well as explain and answer questions about the screening processes for part-time school based and Level IV services. The meeting is open to all K-6 parents.
