February 2005

It finally feels like winter. Some of our students have been able to get out and experience some of our winter wonderland – when the weather wasn't too cold. We are hoping for some warmer weather as our little ones need to get out in the fresh air. In February, classes will be experiencing activities related to the themes of Valentines, hearts, families, friends, emotions, snow and winter clothes.

Autism Parent Workshop

The Autism Parent Workshop for this month is scheduled for February 8th, and will be on the subject of toilet training. This workshop filled quickly, they hope to offer it again next month.

PAC News

Wednesday, February 9 is our PAC Team day. Students do not attend school.

February Student Holiday

February 21 is President's Day. It is a holiday for students and staff.

Snack Money

Snack money (\$5.00) is due for February if you have not already sent it in.

Valentines Celebrations

Please refer to your child's individual teacher regarding their plans for class celebrations. Each class will celebrate the holiday in their own way that is appropriate for those students.

Inclement Weather

Please make sure that you have the information regarding weather delays and cancellations. If you have misplaced yours, your child's teacher will be happy to send you another one.

Cold Weather Wear

Please remember to send your child in with the appropriate outer wear for the weather. This includes hats and mittens. Unless it is wet or bitter cold, we do try to get the children outside every day. Please remember to label all clothing items.
