

INDIVIDUAL RECORD OF COMMUNITY SERVICE

Student _____

Grade _____

Students at Annandale High School who wish to achieve the FCPS IB MYP Certificate must participate in 25 hours of service learning or 3 significant reflections per year. Students may include hours accumulated for other service organizations. This form provides a place for students to record this individual service and/or complete the service reflection.

▶ **Fill out Part One if you are completing the 25 hours**

▶ **Fill out Part Two if you are completing the 3 reflections.**

*For service activities which take place over several days, weeks, or months, just record the service **one time**.

PART TWO (For students choosing to complete the three reflections)

Choose **three** different service learning activities in which you have engaged, and for each of the entries below, please reflect on what you did and write about your experience. Use one reflection per service learning activity. If you engaged in more than three activities, write about the three that were most meaningful to you.
