

ATOMS Booster Club
PO Box 1283
Annandale, Virginia 22003

The ATOMS Booster Club is offering you a unique opportunity to support the Annandale High School athletic teams, and in the process, reach an estimated 20,000 potential customers during the football season and over 10,000 customers during the lacrosse and soccer seasons in the spring.

The Booster Club is providing space around the perimeter of the football stadium for your 8' by 3' vinyl BANNER.

What a "Great Way" to reach a large number of your local customers and support your local high school.

Displaying your banner will run \$500 for the spring and fall seasons. If you do not already have a banner, we can help you design and develop one. These banners are quite durable and can be used over several seasons.

If you'd like to reserve space for a banner, please fill out the application below. Feel free to call me at 703-941-9138 if you have any questions.

Thanks for your support!

Sincerely,

Bill Stearns
President, ATOMS Booster Club
