Leadership Contract

Name

Grade

Date

Please **type** in the box provided below describing your plans for your future NHS leadership experience that will require ten (10) or more hours. Describe your plans using at least four (4) of the eight (8) learning outcomes listed below. Identify the learning outcomes using the numbers one to eight next to the outcomes below. After you have written your plan show it to the supervising adult (not a parent or guardian) who will observe your leadership experience. If the supervising adult agrees with your plan, type in the supervisor's name, email address, and a phone number below. Send this contract via email to your assigned NHS officer for the go ahead to begin your leadership experience.

Learner Outcomes:

1. increase your awareness of your own strengths and areas of growth
2. undertake new challenges
3. plan and initiate activities
4. work collaboratively with others
5. show perseverance and commitment in your activities
6. engage with issues of global importance
7. consider the ethical implications of your action
8. develop new skills
