

2007-08 Braddock Elementary Family Directory Information Form

Braddock PTA will provide each student with a Braddock Family Directory. Students and their families will find this directory helpful for coordinating school projects, homework questions, and scheduling play dates.

If you would like to be listed, fill in the form and send it back to school with your student. Please complete the information as you wish it to appear in the Directory, i.e., Tommy Jefferson vs. Thomas Jefferson.

In an effort to save resources, we offer the directory in two versions:

- I prefer to receive my directory in a paper version
- I prefer to receive my directory electronically via email
(include your email address!)

An English version of the Braddock Elementary Family Directory will be provided to each student. If you would like to receive a version in Spanish, or Korean, please check the appropriate box.

- Spanish
- Korean

Student Information:

Braddock Student(s) Name(s) (First and Last)	Grade	Teacher
