

Kindergarten Happenings in October

Fall is here! What great weather we have been having. Soon the leaves will be turning beautiful colors and we will be taking a Fall walk to see all the changes.

In science, we will be learning all about Fall and the changes that take place. We will discuss the difference between Fall and the other seasons. We will be learning about the life cycle of a pumpkin and doing lots of fun activities.

In language arts, we will continue working with letter recognition and letter sounds. This month we will be working on the letters Cc, Dd and Ll. We will also be working on rhyme and alliteration. We will continue to write in our journals. Read, Read, Read with your child at home.

In math, we will begin working on patterns. We will be using leaves, pumpkins, apples and much more to make patterns. We will also continue working on sorting and classifying.

In social studies we will be learning all about fire safety. We are looking forward to a visit from a firefighter. We will also be learning about Christopher Columbus and his travels.

Guidance Corner

Hi! I'm Mrs. Baker, Bush Hill's school counselor. I will be working with the kindergarteners every week in the classroom. I will cover topics such as bullying, respect and friendship.

Show and Tell Schedule

- October 5th —Cc
- October 12th—
No school
- October 19th —Dd
- October 26th—Ll

Happy Birthday!!!

Zain— 1st

Jada—14th

Nelly— 17th

Talya— 21st

Peyton— 24th

Reyna— 27th

Reminders!

Now that the weather is turning cooler please label jackets and sweaters. It will make them easier to find.

Please remember to send in a towel for quiet time. We have quiet time Tuesday-Friday. We send the towels home on Friday to be washed.
