

Chantilly High School AP German Summer Assignment

You will be required to read five articles or listen to radio broadcasts/podcasts during the summer. You must summarize each article/broadcast in German. You will then choose one article/broadcast and write a 200 word response paper in German. You will obtain these articles from German newspapers, German magazines, radio broadcasts or television broadcasts in German. You must print out or copy each article or page where you listened to the broadcast and attach it to your summary. If you can download a copy of the podcast/broadcast then please do or send it to me via e-mail.

Here are some websites you can use to find your information.

- The best thing you can do to prepare for AP German is read as much as possible. The Internet has a wealth of information. Here is a great site for young people with lots of reading. www.juma.de

You will also be required to keep a journal. You will write one journal entry each week. You may use a composition notebook or any other kind of book. In each entry you must include 5 new vocabulary words. Underline the words and add them to your current vocab. notebook. Include pictures or memorabilia from your Sommerferien. Viel Spass!
