

- *All classes will be in the upper lab, unless otherwise specified.
- *There will be drawings for "door" prizes at each session.
- *Classes that say {TSIP Course} will contain enough that is necessary to complete that tech competency, but we will also discuss other aspects of each program.
- *If a class has an @ sign, or 2 @ signs, that means those classes build on each other, or are in some way related.

January:

Monday, 1/23/06: MS Excel 2003; 1:00 pm - 2:00 pm {TSIP Course}
