

Summer Reading

Students,

During the summer months, be sure to spend time reading. Churchill Road encourages all students to read a *variety* of books. Every time you read a book (or someone reads a book to you), mark it on the B-I-N-G-O board [download B-I-N-G-O board from CRS homepage]. With your parents, decide on a reward for getting B-I-N-G-O. [See below]

Visit Dolley Madison Library and participate in their "*Around the World*" Summer Reading Program. Earn free and discounted prizes and enjoy puppet shows, animals, music, magic and more at special programs all summer.

Don't forget about Border's and Barnes & Noble's Summer Reading Programs. Go to their websites for more information.

Happy Reading,

Mrs. Haines, CRS Reading Specialist

Ms. Provence, CRS Librarian
