Falls Church, Virginia 22042**

October 30, 2009

Dear Clearview Staff and Families,

I am proud to announce that Kimberly Willison has been appointed as principal of Clearview Elementary School, effective December 1, 2009.

Ms. Willison returns to Cluster I after opening Eagle View Elementary School as the assistant principal. During her tenure, she helped establish a vibrant PTA and worked tirelessly to include all families in school life. Prior to Eagle View, Ms. Willison served as the assistant principal of Churchill Road Elementary School. She also worked as a gifted and talented programs specialist with the Instructional Services Department, where she designed staff development programs for GT center and resource teachers.

Ms. Willison brings a wealth of educational expertise to Clearview Elementary School. In addition to her work with Fairfax County Public Schools, she is currently an adjunct professor of gifted education at the University of Virginia. Ms. Willison received her bachelor's degree in science education from Otterbein College and her master's degree in educational psychology and gifted education, with an endorsement in school administration and supervision, from the University of Virginia.

Please join me in welcoming Kimberly Willison as the new principal of Clearview Elementary School. She is very excited to become a member of the Herndon family of students, teachers, and parents!

Sincerely,

Marty K. Smith
Assistant Superintendent
Cluster I
