Register Your Grocery Card To Earn \$ For Columbia

It's that time of year again- time to link your grocery store card to Columbia so we earn money when you shop for groceries! If you shop at Harris Teeter, Giant or Safeway, Columbia can earn money when you do your normal grocery shopping. Here's what you do:

Harris Teeter: "Together in Education" - Sign up on line at www.harristeeter.com, click on the "Community" tab and "Together in Education", then "Link your VIC card to your school now" or sign up at the register when you shop. You just need the number on your store card and the Columbia code: 4295

Giant: A+ Bonus Bucks – www.giantfood.com Click on the "Our Stores" tab, then "A+" and "Register Your Card". Registration requires the first 3 letters of your last name, your Giant Food card number and the Columbia code: 01827; Holmes code: 02303.

Safeway: Escrip – Go to www.escrip.com and follow the "Make A Difference In Four Easy Steps" link. The Columbia code is 6490340.
