Make note of each different task you perform and record your work experiences in your log book. Enter the number of hours you spent performing a task in the column under the code letter for that task. There is a separate line to be used for each day of the month. Total each column and write these onto a new page at the beginning of each month. Call your VADOLI representative, 703-392-0900 ext. 102 or 131, if you have any questions.

Safety is the first priority in all Apprenticeship programs and, as the sponsors' primary responsibility, must be taught and practiced continuously in all on-the-job processes.
