8:00 a.m. Shotgun Start

Virginia Oaks Golf Club

Gainesville, VA

WHAT IS FAIRFAX COUNTY DECA?

DECA is a National Association of Marketing Students supported and endorsed by Fairfax County Public Schools (FCPS). Marketing courses are taught as part of the curriculum in areas such as fashion, hospitality management, sports and entertainment marketing, and Internet marketing.

WHAT IS THE MARKETING ADVISORY BOARD?

The Marketing Advisory Board is a committee of local business people who assist FCPS in curriculum development for the marketing program and who encourage and recognize excellence in student achievement.

WHY ARE FUNDS NEEDED?

The Marketing Advisory Board sponsors an annual scholarship program for high school students wishing to pursue marketing studies in college. Funds generated from the tournament support the Scholarship Program that assists future leaders in marketing. In the last ten years, over \$158,000 was distributed to qualified high school seniors through the Scholarship Program. In addition, funds may also be used to recognize student accomplishments and achievements as well as support other student activities as needed. **Contact Amy Granahan for information about sponsoring a specific scholarship. Amy can be reached at (703) 208-7806 or Amy.Granahan@fcps.edu.**

Please make Check or Money Orders payable to:

MAB Golf Tournament
