

High School English/SOL Remediation Course Sequence

Grades 9 - 10 Remediation

Students who are identified as needing SOL remediation should be scheduled into Developing Literacies or Expanding Literacies along with concurrent enrollment in English 9 or 10.

Grade 11 Remediation

Students who are identified as needing remediation for the English SOL test should be scheduled for Expanding Literacies. For some, it will be a second year in Expanding Literacies in which a student can receive an additional credit.

Grade 12 Remediation

Students who fail an English SOL in spring and/or summer should be scheduled into a special section of English 12 for SOL remediation.
