

Sixth Annual Virginia State High School Division C Science Olympiad

Sponsored by the Virginia Science Educators Leadership Association
(VSELA)

Date: Saturday, April 14th, 2007

Place: West Potomac High School, Alexandria, VA

*For more information, please go to the Virginia State
Competition web site at <http://www.fcps.edu/DIS/olympiad/index.htm>.*

Team registration fee: \$100 per team

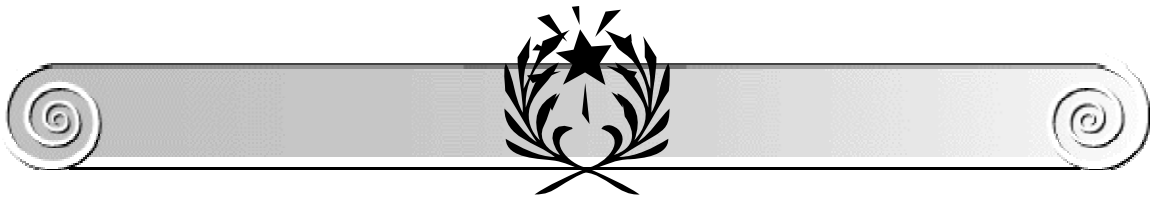

Competitions: Grades 9 - 12 (Division C)

Science Olympiad events are designed to use a variety of intellectual and practical skills. Some events call for a quick recall of specific facts, while others require concept development, a process skill, or an application of a specific concept. Some events may require a student or a group of students to work cooperatively to build an apparatus. Points are assessed to each team based on national judging criteria for each event. Ribbons and trophies are presented to the highest scoring teams. The highest scoring Virginia team will represent Virginia at the National Competition on May 18 and 19, 2007 at Wichita State University, Wichita, Kansas.

Each high school is allowed one team. A team can have no more than 15 members. A high school team can have no more than 7 seniors. Each event follows strict national guidelines, which are contained in the *Coaches Manual and Rules Division C (Gr. 9-12)* provided to each registered team's coach.

To register, please complete the High School Division Registration Form. Registration forms and fees should be received no later than Friday, January 26, 2007.

For additional information about the Science Olympiad, go to the following website at www.soinc.org. The 2007 Virginia State Competition events schedule will be posted to <http://www.fcps.edu/DIS/olympiad/index.htm> when it is completed.
