

Have You Filled Out your 2008 Virginia School Census Form?

During the week of May 12, Fairfax County Public Schools (FCPS) and City of Fairfax Schools will send out another mailing of census forms to those households that have not yet responded to the 2008 Virginia School Census. The commonwealth of Virginia mandates that we conduct this census to help determine fair distribution of state sales tax revenue designated to support public schools. The census counts every child through age 19 whether or not the child attends public or private school or is home-schooled. **For each child between the ages of 5 and 19 who is counted, approximately \$3000 will be returned to our schools.**
