- If a language other than English is indicated in any one or more of the answers, enter the appropriate language code in the box "Home Language" on the student registration form. Use the language codes listed in <http://www.fcps.edu/DIT/forms/se216.pdf>.
- Students whose language code is other than 01 (English) should be referred to student registration for English language assessment, unless the student is able to document a minimum of two years of successful, uninterrupted school work in language arts in a general education program in United States schools.
