

As you know, the Daniels Run Auction is set for March 16th. Each class has been asked to contribute items to a themed basket which can be bid on at the auction.

Here is your opportunity to make this a great success!

Following are lists of the basket themes and the classes assigned to each. Your child should have brought home a memo with the information relevant to his or her class.

These lists are only suggestions of what you can donate—feel free to add your own ideas! Also, feel free to partner with other classroom parents on the more expensive items

*We are also asking for donations of **large baskets**. If you happen to have any of these taking up room in your basement, here's your opportunity to get rid of them.*

Please bring your donation to the school by February 23rd. There will be a labeled box in your child's classroom.

Remember, the auction can only be successful with your help—thank you in advance!

Many Thanks from the PTA Auction Committee
