

EDISON HIGH SCHOOL CLASS OF 2010 ALL NIGHT GRAD PARTY

Friday, June 18, 2010

11:00 pm - 5:00 am

LEE DISTRICT REC CENTER

WHAT is the ANGP? In 1987, the Virginia Department of Education and the Virginia State Police Association developed “Northern Virginia Project Graduation” to address the issues of youth drinking, drug use and driving behavior during high-risk events such as graduation. The All Night Grad Party was created as a result. The ANGP is planned, organized and hosted solely by Edison parents to provide a **SAFE, MEMORABLE**, fun-filled evening for seniors to celebrate graduation.

WHY:

- Should students attend the ANGP? Because it is an amazing evening of FUN!!!! Students will share one last memorable event with friends and classmates and enjoy a variety of entertainment, games, a casino, swimming, great food, prizes, and much more. Why wouldn't they want to attend?!
- Volunteer now if my child isn't graduating? Although senior parents are involved in planning the ANGP, graduation is an especially busy time for senior parents. We need junior, sophomore and even freshman parents to pitch in and help. In the not too distant future, YOU will be a senior parent who will want a safe and fun way for your graduate to celebrate. *This year we are asking underclass parents to become a committee co-chair...you **DON'T** have to be in charge of anything but you will have the opportunity to become familiar with the ANGP so you will know the ropes when your student is a senior.*

There are so many ways for **ALL** parents to help throughout the year. Please complete the volunteer form and **SAY YOU WILL HELP!**
