

Business/ School Partnership Agreement: Raytheon and Fairhill Elementary School

Beginning September, 2007, Fairhill Elementary School and Raytheon will renew our Business Partnership for the purpose of improving student achievement and increasing community relationships through the sharing of resources. A steering committee comprised of representatives from the school, PTA, and Raytheon will meet to plan participation, explore future needs and evaluate present programs. The agreed upon expectations outlined below can be modified by members of the partnership steering committee.

Raytheon will:

- Seek to provide volunteers for school activities which positively impact student achievement
 - National Engineers Week Lessons
 - Raytheon Read Alouds
 - Lunch with an Engineer
 - Raytheon Class E-Pal
 - Raytheon Science Fair Judges

Fairhill will:

- Provide weekly Fairhill Update of school news and events via email
- Invite Raytheon to participate in restaurant fund raisers
- Display the Business/School Partnership Poster/Banner in the school
- Exhibit a rotating display of 5 framed pieces of student art work in frames for Raytheon conference room space
- Include Raytheon logo to weekly newsletter
- Link Raytheon website to Fairhill Elementary website

Both parties will:

- Designate coordinators who will schedule events and coordinate partnership opportunities
- Conduct an annual evaluation of the stated objectives of this partnership and modify as necessary
