

# The FCHS Touchstone

At Falls Church High School,  
we pursue excellence in scholarship,  
character, and service.

We promote unity in our diversity  
and  
collaboration among all partners —  
students, parents, school staff, and  
community.

We practice respect for others,  
ourselves, and our school facilities.

We hold ourselves responsible for  
what we do, or do not do, because  
our actions impact our learning and  
everyone and everything around us.

This is who we are,  
even when no one is watching.
