

Course Registration 2011-2012

Each student will meet with his/her school counselor to register for courses for the 2011-2012 school year. The Falls Church school counselors are also available for late afternoon registrations, by appointment until 5:00 p.m., for students and their parents or guardians. An appointment will allow students and parents to confer with school counselors concerning which courses students should enroll in for the 2011-2012 school year, to meet the students' graduation goals, post secondary plans and future career aspirations.

Although rising 9th grade students will also meet with their middle school counselors, parents and students are also invited to schedule an appointment with a Falls Church school counselor. Please bring the second quarter report card to the appointment.

Parents / Guardians, please refer to the list below to select the school counselor for your student if you have questions and/or to schedule an appointment.
