The Virginia Readers’ Choice program is designed for individual reading and reporting by students’ grades 3 through 6. Students in first and second grades will hear all of the primary books and will have an opportunity to vote for their favorite book at the end of February.

Please be advised that even if a child is able to read books from the middle school list, the themes and language may be too mature for young readers.

Books are chosen and approved by the Virginia Reading Association. www.vsra.org
