STUDENT DIRECTORY

2009-2010

The Floris PTA is again providing a Student Directory as a resource for teachers, students and their families. This information is not used for emergencies, but rather a way to contact classmates and/or other parents. If you do not return this form, then you will **NOT** be included in the Directory. Forms are due back by **Friday, September 18, 2009**.

Please submit only ONE form per family and list each child's name as you wish it to appear in the directory. If a nickname is substantially different than formal given name, please note which name you wish listed. Please read all of the choices carefully. **To minimize space in directory only towns outside of 20171 will be listed.**

If you'd like to purchase another directory for your home, office or car, please check the box.

YES – I'd like to order _____ # additional copies of the Floris Directory. My check made payable to the "Floris PTA" at 5.00 per copy is attached for the total number ordered.
