

IMPORTANT SECURITY PROCEDURES FOR FLORIS

Floris Elementary has a security system operating to help ensure student and staff safety. The System Link Door Access program will require every exterior school door to be locked at all times. Visitors to the school will need to enter the school by pressing the buzzer located to the right of the doors at the main entrance. After being viewed by office staff on the camera monitor, the door will be unlocked remotely to allow visitors to enter the main office to sign in and obtain a visitor badge.

In addition, our afternoon student check-out procedures will also change to ensure a safe and smooth transition to the end of the student day. Students may be checked out from the main office until 1:10 on Mondays and until 3:40 Tuesday through Friday. After those times, parents may wait in the lobby for their children to exit the classroom during dismissal and take their child at that time.
