

## ABSENCES OR TARDINESS

Regular and on-time attendance is expected of each student. The Code of Virginia requires that any student with five or more unexcused absences be referred to the school attendance officer. Further unexcused absences will result in a petition to the Juvenile and Domestic Relations Court. The principal, school social worker, and school attendance officer also monitor student tardiness. If your child will be absent, it is essential that parents call the Floris attendance line at 703-561-2929 before 9:30 a.m. to report the absence and reason. Absences that are not confirmed with the school by parents will be recorded as unexcused.

Any student arriving tardy must enter the building through the front doors and go directly to the office.
