

TASTY “BYTES” TECHNOLOGY FUNDRAISER

Don't think you have the time to cook gourmet meals? Have a mile-long list of people to send holiday gifts to? Looking for the perfect gift for someone who already has it all?

Just in time for the holiday season, we are introducing a fundraiser that you can literally “sink your teeth into.” Floris is going to have a Tastefully Simple Party!

Tastefully Simple offers a wide selection of convenient, easy-to-prepare foods designed to help people spend less time in the kitchen and more time enjoying the rest of their lives. With over 60 products to choose from, Tastefully Simple products make cooking, entertaining, and gift giving simple! All proceeds from our fundraiser will go towards updating the technology at Floris for students and teachers.

The party will be open all the way until December 31st, so you will be able to place as many orders as you like through that date. Orders will arrive via FedEx right to your front door! If you are sending some goodies to someone else, you will need to place separate orders for each address. Shipping takes approximately 5-7 business days, so time your gift orders appropriately.

Ordering is easy- it's all done online! This allows your family and friends to participate in our fundraiser as well. Simply share the directions below with anyone you know who enjoys good food or does any personal or corporate gift-giving, and watch our technology dollars SOAR!
