

Experience Different Cultures Through Time with GRACE Art in the Schools

This school year, GRACE Art, a PTA-sponsored art enrichment program at Floris Elementary, will explore five different cultures across time with the children.

GRACE Art in the Schools Program

2011-2012 Schedule

October - Eric Arle
November - Raphael
February - Auguste Rodin
March - Kings and Queens
May - Photorealism

Join the GRACE Art Team at Floris Elementary!

Why should you join the GRACE Art Team?

It's a fun way to get involved with your child's class and the children love GRACE Art. This is an excellent opportunity for working parents to volunteer in their child's class.

What do I do?

You present an artist or art theme using information and posters provided by GRACE followed by a related art project.

How much time does it take?

Total Time commitment: 2-3 hours per project
Training session – 1 hour per project
Presentation – 1-2 hours per project

Five portfolios are available to present from October to May, but you don't have to commit every month. Not comfortable giving the presentation? Work as a team with another parent volunteer and be an assistant -- a second pair of hands is always helpful.

But I don't know much about art or the specific artists.

No art experience is necessary; training is provided each month. We provide art posters, background information, project suggestions and art materials.
