Forestdale 2009

As we say welcome a new calendar year, we reflect what we have accomplished thus far and focus on what lies ahead. January marks the halfway point in the school year with the end of the second grading period. Over the next couple months, we will be focusing on building knowledge and increasing your child's awareness of their role in our school community. One focus you will notice right away, our newsletter. It will be dedicated to upcoming events and programs connecting you to the learning environment at school. Awards and recognitions will be posted on our school website. As a result, we will conserve our resources. As you read on, you will discover various programs and activities currently in place and others in being planned. We encourage you to take advantage of the after school activities planned. This is a perfect way to share in your child's learning experience. In addition, we have taken out the dates on the side and have given you a calendar that you can post in your home for easy access. We hope you find these changes helpful to your family.

January Plan Ahead!

January has many days that students are off from school for holidays and there are two teacher workdays that we want you to be aware of. These dates have been added to the attached calendar for your observation.

January 19th - Martin Luther King Holiday - schools closed

January 20th - Inauguration Day Holiday - schools closed

January 26th - Teacher Workday - no school for students

January 27th - Teacher Workday - no school for students

January 23rd marks the end of the second grading period.
