A message about casting: There are many factors that go into casting any show, especially a musical. Vocal confidence is always a priority in a show where people sing. In addition, we considered the actors' own preferences if they listed them - especially if they only wanted to be in a group (not solo).

Overall it was truly an outstanding audition, which made the choices very difficult to make. We all felt that there was talent across the entire group, as well as enthusiasm and respect for the others. We could not be more excited to work with these wonderful kids!

ALL CAST MEMBERS need to be at the first rehearsal FRIDAY JANUARY 20 in the gym at 750am promptly. At this read-through we will distribute schedules, cds, scripts, and general information. Parents/actors only need to get in touch

**with us if you are NOT ACCEPTING your role (dodgeballdirector@gmail.com),
otherwise we will see everyone next week!
