

# Display of Artifacts at Franconia

**CELEBRATE EDUCATION THROUGH ARTS - FRIDAY, MARCH 25, 2011**

**WE NEED YOUR HELP!** Do you have items from your native country or from another country that your child could bring in to share for the celebration of arts from cultures around the world? Have your child bring in the items and give them to his/her classroom teacher on Thursday, March 24, 2011. Please place a label on it with your child's name, teacher's name and the country that it represents. Also, send in a brief label about the item (like a museum plate), so viewers can read about the artifact. You may take your items back once the Arts for All celebration is over, or it can be returned with your child on Monday, March 28, 2011. The items will be displayed to educate our school community about arts, crafts and other artifacts from different countries represented here at Franconia.
