K

By Invitation Only

Students will review letters, beginning sounds, beginning reading skills and writing skills. Students will also participate in literacy centers. (Language Arts)

PM Class: **Kinder Bear Math

K

By Invitation Only

Students will review counting to 31, counting sets, identifying and writing numbers. Students will also participate in math centers. (Math)

Combination 2

AM Class: Dr. Seuss is on the Loose

K

This class will focus on the fun rhymes of Dr. Seuss and other funny poems. The class will make their own rhymes such as "Can a dog jog?" "Can a bee see?" Students will use a variety of media to illustrate their poems. (Language Arts)

PM Class: Munching Math

K

Eat your way through addition, subtraction and graphing. New activities every day using M&Ms and other candy as manipulatives. Make your own games that you will be able to take home at the end of intersession. (Math)

Combination 3

AM Class: Winter Wonderland

K

Come join *Winter Wonderland!* This class will provide everyone with exciting activities and stories! *Winter Wonderland* will take you on adventures exploring all the fun things of winter such as snowmen, reindeer, and gingerbread men. So put on your winter attire and join the excitement! (Language Arts)

PM Class: Stories, Poems & Rhymes

K

Students will practice their reading and listening skills as they read and act out different stories, poems, and rhymes. Students will also engage in a variety of craft projects to accompany the stories as well as activities involving putting events in order, retelling, and recognizing characters and themes. (Language Arts)

Combination 4

AM Class: World Travelers

K

We will be traveling the globe to learn about cultures from all over the world! We will taste foods, play games, learn legends, and discover new things about each country we visit! Be sure to pack your suitcase! (Language Arts, Social Studies)
