

We Love Our Teachers!

Working with children is one of the most important jobs in the world. The contributions of our teachers and staff are shaping the future of the Franconia community and the world. Each staff member plays a vital role in helping students learn and grow. Let's celebrate the caring and commitment of our dedicated staff by letting them know how much we appreciate them.

Help the Franconia PTA celebrate Teacher Appreciation Week May 2 - May 6, 2011 by honoring your classroom, specials, or favorite teacher.

We have provided some examples for students/families to show their appreciation. Most importantly, thank all teachers and school staff for their hard work and dedication.

Monday - Draw a picture for your teacher

Tuesday - A Special Snack (Bag of popcorn, chips, granola bar, fruit, etc.)

Wednesday - Small gift card, note pad, flowers

Thursday - A sweet treat (candy, brownie, cookies)

Friday - A handwritten thank you letter from the student telling what they enjoyed about the year.
