

# Kiss and Ride

The Kiss & Ride loop on Kathmor provides a location where parents may safely pick up and drop off their children at school at the start and the end of the school day. The area is identified by Kiss & Ride signs and is separated from the busy bus loading and unloading areas. To ensure safety for students, please follow the rules below:

- Seat children on the passenger side of the car so they can exit the vehicle easily and safely.
- Teach children how to buckle and unbuckle seatbelts.
- Store children's belongings (backpacks, etc.) inside the car, not in the trunk or rear compartment.
- Do not leave your car unattended in the Kiss & Ride lane.
- Pull forward in single file as far as possible into the Kiss & Ride lane before loading/unloading.
- Remain in the driver's seat. Staff and safety patrols will open and close doors.
- Do not pass other cars loading/unloading children.
- Load and unload in the Kiss & Ride area only. Do not park outside of Kiss & Ride and ask children to cross the Kiss & Ride area or the street.
- Exit promptly after loading/unloading children.
- Be patient and respectful to staff on duty. They are there to help.

This is a step-by-step guide for using Kiss & Ride safely and efficiently.
