Dear Parent(s)/Guardian(s):

Freedom Hill Elementary School welcomes you and your child to kindergarten!

On Monday, April 19 at 2:00 p.m. you and your child are invited to attend a kindergarten orientation meeting. While the students visit the kindergarten classrooms, you will have the opportunity to learn about the kindergarten program, and discuss administrative matters such as schedules and buses.

Enclosed you will find a description of the Fairfax County Public Schools Registration Requirements, as well as most of the forms required for registration. In order to minimize the process this year, we are requesting parents make an appointment to complete registration. All documents must be completed in order to make an appointment. Appointments for registration can be made by calling (703)506-7800, prior to April 19, if all documents are completed. **All registration requirements must be met before a student may enter kindergarten.**

Virginia state law requires that a report of a comprehensive physical examination by a licensed physician must be presented to the school prior to the date the child first enters a public school. The examination must take place no earlier than 12 months prior to September 7, 2010, and must be on file in the school **before** your child will be able to attend kindergarten.

We hope that you will plan to attend the orientation. If you are unable to attend, please be sure to call the school office to make an appointment to register. If you have any questions, please do not hesitate to call our school office at (703)506-7800.

Sincerely,

Tim Stanley
Principal
