Social Networking Site

An online community where people from all over the world may meet and share common interest

taken from Google Images

Web 2.0

An evolution of the internet which allows users to create their own content and save it to the web.

Signs of Cyber-Bullying

- Suddenly stop using the computer or cell phone
- Act nervous when receiving an email, IM or text
- Seem Uneasy about going to school
- Withdraw from family or friends
- Quickly switch screens when you walk by

From Netsmartz workshop
www.netsmartz.org

Keeping it safe!

- Keep computer in common areas
- Be aware who your kids are talking to online
- Establish rules for your kids...how much time on the computer, what sites they can visit
- Use parental controls provided by your internet service provider
- Communicate with your child! (Show me a funny youtube video or let's play your favorite game together)
