Notification of student classroom placements for the 2009-2010 school year will be sent to every household the end of August. While we realize this is vacation time for some families, we ask you not to call the school office for student assignments, or to ask if a child's friend is in the same classroom. We cannot disclose this confidential information over the phone. Your child's placement letter will be with your mail when you return from vacation, or you can stop in the front office the first day of school for your child's class assignment.
