February 2012

Dear Kindergarten Families,

Can you believe it is already February? We are busy planning for one of our favorite holiday-Valentine's Day! **Please look for information in your child's Thursday Folder.** Each class will be making individual holders for valentines, however, it is not mandatory that your child bring in valentines for the class. If your child chooses to bring cards in, please have him/her do so on Tuesday, February 14. Please include all classmates and encourage your child to write the names him/herself. This would be a great way for your child to practice writing.

In science we will continue to learn about the winter season. In social studies we will be talking about the presidents George Washington and Abraham Lincoln, as well as Rosa Parks.

Here are fun and enriching language arts web-sites for you and your child to explore together:
