

HES Kindergarten Newsletter

Issue #2

October 2011

Dear Kindergarten Families,

October will be a busy month for us! Students will begin to work independently at literacy and math stations. Your child will bring home completed station activities along with a work slip explaining the activity, objective and whether or not your child completed the task on his/her own or with help. Please review the concepts that your child received help on at home. Your support and time is very much appreciated and a great reinforce for your child!

In science we will be learning about fire safety, seasonal changes, and the fall season specifically. In social studies we will be learning about Christopher Columbus.

With the flu season fast approaching, students will be learning about how to prevent the spread of colds and flu. Students will practice good hygiene and the proper way to cover a cough or a sneeze (with a tissue or their elbows). Please practice this at home as well. As always, your time and attention is appreciated!

Enjoy the fall weather!

The Kindergarten Team

A few friendly reminders...

- Your child needs a snack **every day** except Monday.
- Library books need to be returned on **Thursdays**.
- Your child should return the white, Thursday Folder to school on **Friday**.
- Please **initial** your child's agenda **every day**.
