

**Fairfax County Public Schools**  
**Bailey's Elementary School for the Arts and Sciences**  
**(Located in Falls Church, Virginia)**  
Information Regarding the Magnet School Application Process  
School Year 2012-2013

**IMPORTANT INFORMATION**  
**PLEASE READ**

1. A copy of the applicant's latest report card/progress report **MUST** be submitted with the application. For kindergarten students, second quarter report card/progress report must be submitted. Applications received without a report card/progress report will **NOT** be processed.
2. Acceptances are **NOT** transferable.
3. Applicants entering kindergarten through grade four for Bailey's will be selected by lottery during the week of March 30, 2012. To be eligible, students must be on or above grade level in language arts and math and consistently demonstrate positive interpersonal and school behavior. Please complete a separate application for each student applying. Additional information is available at <http://www.fcps.edu/is/magnetschools/index.shtml> and <http://www.fcps.edu/BaileysES/SiteIndexPages/Baileysenrollementprocess.html>.
4. Only one application per student will be accepted. Applicants must be Fairfax County residents. All information **MUST** be completed. Be sure to complete the entire application form and attach a copy of the latest progress report. **PLEASE** PRINT OR TYPE. Applications received with postmark dated after March 1, 2012, will not be accepted. **No faxes, emails, or hand-carried forms will be accepted.** An application form **must** be submitted for *each* child.
5. If other than Fairfax County public school student, please forward the attached **Student Verification Form** to your child's current school and have the school mail the completed form to the address below no later than **March 1, 2012**.
6. You will be sent confirmation of receipt of application via email.
7. The placement of out-of-boundary magnet students is contingent upon regular on-time school attendance, consistent positive interpersonal and school behavior, and satisfactory academic achievement. Suspension of an out-of-boundary magnet student results in an automatic dismissal and return to his or her base school as also does a pattern of attendance problems.
8. The magnet program offers an enriched education for all students through an application and lottery process. It is not the same as the Advanced Academics Programs/GT which requires academic identification, a referral, and a dual screening process.
9. Kindergarten applicants must have attended preschool and must be age 5 by September 30, 2012.
- 10. Transportation for out-of-boundary magnet school students has historically been provided, with a LIMITED number of regional stops. However, each year it is subject to approval through the FCPS budget process and will not be known with certainty until the budget process concludes in the spring.**
11. It is strongly recommended that all interested families attend the Bailey's Magnet School Information Night offered at the school on Thursday, February 9, 2012 at 7:00 P.M. (Snow Date – Thursday, February 16)

Mail application, **with report card attached**, postmarked no later than **March 1, 2012**, to:

Fairfax County Public Schools  
3877 Fairfax Ridge Road  
Magnet Program, Mail Stop #9  
Fairfax, Virginia 22030

Call 703-575-6800 with questions regarding the Bailey's program. Visit <http://www.fcps.edu/BaileysES/SiteIndexPages/Baileysenrollementprocess.html> to check the location of Bailey's Elementary School for the Arts and Sciences and to answer frequently asked questions.

**IMPORTANT:** Applications received without a copy of the applicant's most recent report card/progress report will **NOT** be processed.
