### Description of Award

One sophomore from Herndon High School will be nominated to participate in the Hugh O'Brian Youth (HOBY) Leadership Seminar taking place the weekend of June 4-6, 2010 at University of Richmond.

Hugh O'Brian Youth Leadership is one of the oldest and most prominent youth leadership organizations in the world. HOBY was founded by actor Hugh O'Brian after returning from spending nine inspirational days working and volunteering with Dr. Albert Schweitzer, the 1952 Nobel Peace Prize Winner.

HOBY programs are planned by people who believe in your ability to be a leader and affect the future for all of us. During your HOBY experience, you will discover and sharpen your leadership skills; you will come face-to-face with current leaders in such fields as government, media, business and education; and, you will be empowered to value your own opinions and ideas, and to find the courage to express those opinions among your peers. Then, HOBY will challenge you to take your experience back to your home, school and community and make a difference for others.
