

# Northern Virginia Regional College Fair

George  
Mason  
University  
Patriot Center  
April 21, 2010  
6:30pm to  
8:30pm

## General Tips and Suggestions for a College Fair

- 1) Bring prepared labels with your name and mailing address. College reps will often have mailing cards at their table so they can send you additional information.
- 2) Have a plan. Check the list of colleges that will attend the fair— <http://admissions.gmu.edu/rsvp/nvrcf/attending.asp> —and have a list of at least 5 schools to visit.
- 3) Ask specific questions about what you are looking for. Don't just ask "how's your — major?" Think about what is important for you in the college you attend—size, location, opportunities to get involved in campus activities, etc...
- 4) Get the contact information for the representative. You can contact this person for any future questions you might have.
