August 2002

Dear Parents of Students Enrolled in AP,

The purpose of this letter is to inform you of exam fees for students enrolled in Advanced Placement (AP) courses for the 2002-2003 school year. As part of the adopted FY2003 budget, the Fairfax County School Board voted to impose a \$25 fee for each AP exam that a student takes with a cap of \$50 per-student per-year. This means that a maximum of \$50 will be collected from a student enrolled in two or more AP courses. All students enrolled in AP courses are still required to take the exams associated with those courses.

Students on free- and reduced-price lunch are exempt from these charges. For this reason, it is important that eligible families complete the application for this program. If you have questions about your eligibility or other details of the program, contact the guidance department at 703-810-2223.

If you have further questions, please feel free to contact Bernadette Glaze, advanced academic program specialist, at 703-208-7706.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Janice Leslie'.
