AP Music Theory Summer Assignment

You will need to purchase the following workbook, available at local music stores (call ahead!) or at any online bookstore:

Practical Theory Complete, by Sandy Feldstein
(ISBN 0-88284-225-0)

Complete the specified sections to be turned in on the first day of class for an exam grade. They will start off very easy and get increasingly difficult as you progress through the book.

- Lessons 2 – 17
- Lessons 23 – 40
- Lessons 45 – 70
- Lessons 77 – 80

For the class, you will also need to have the workbook for the school-provided text:

Tonal Harmony (5th Ed) by Stefan Kostka and Dorothy Payne
(ISBN 0-07-285261-5).

You do not need to buy the textbook; only the workbook.

I recommend buying both books at once to save on shipping and avoid the college rush during the late summer. (Last year some books were on backorder for up to 2 months!)

If you have any questions throughout the summer, please contact me at (703) 810-2332 or Kathleen.Schoelwer@fcps.edu.

Have a great break!

Musically Yours,

Kathleen Schoelwer,
Director of Bands, Herndon High School
