

A 3

A-3 stands for Assigned Academic Assistance. It is a program coordinated and assigned by the student's assistant principal when teachers request student participation after a student fails to complete assignments in one or more of his/her classes. Parents will be notified and students will be collected from PowerTime and delivered to the location where they will serve the A-3. A-3 can be a one time session or continue over time.

Open Computer Lab and Library

The library will be open to students on Monday and Wednesday for HW and computer use. Computers may be used to access 24/7, work on projects and complete academic work. Students staying in the library must sign in indicating the purpose (computers or HW) and will be expected to work cooperatively and without disrupting the other activities in the Library. Administrators and counselors will provide support as well.

Lunch & Learn & other Academic Supports

The Math intervention and support team will assist students in math during Lunch and Learn. Ms. Hart will work with Math CLTs to ensure students who need support, receive the right support at the right time.

Regular Rotation Days will provide support according to this schedule:
