

Holmes Middle School PTA Membership

Dear Holmes Community,

Welcome... to those returning parents and especially to those who are new to our Holmes Community. As we start a new school year, so begins the activities of the Parent Teacher Association (PTA). We begin the school year with our annual membership drive. The success of Holmes Middle School and PTA depends upon your involvement through membership. We are looking forward to another fun and exciting year at Holmes, so please join us and make a difference for your student(s)!

Please fill out the following application and feel free to **include a donation**, in addition to your dues.

Special Services

- Our newsletter is printed every quarter and sent home with your student's interim grades. Frequently, information that is of interest to our community becomes available between publications. If you would like to receive additional, up-to-date notices from the PTA. ***Please include your e-mail address on your application form below.***

- We will have translators available at PTA meetings beginning in October.
