Happy December!

As we put away our pilgrims and we prepare for the holidays in December, please remember to keep our families on your shopping list. Non perishable food items would be a huge help to help stock our pantry. Please consider picking up extra gift cards to local grocery stores and retailers to help brighten the holidays for families in our community. Bring gift cards to F6 or call Grace or Sara 703 658-5933. Thank you!
